

## Red Enamel Magnet Wire Thermal Grade 180 Diameter 0.071mm - 0.71mm

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: PEWSC
- Certification: UL,ROHS
- Model Number: PEWN
- Minimum Order Quantity: The MOQ varies according to the size of the specification
- Price: Copper price plus processing fee plus freight
- Packaging Details: Box
- Delivery Time: 3-5 work days
- Payment Terms: T/T 100% payment before shipment
- Supply Ability: Delivery 10-15 days after next order

### Product Specification

- Color: Red
- Conductor Diameter: 0.071mm-0.710mm
- Application: Motor Winding, Transformer Winding
- Enamel Thickness: Single
- Shape: Round
- Thermal Grade: 180
- Certifications: UL, RoHS
- Warranty: 3 Years
- Highlight: 0.71mm Red Enamel Magnet Wire, 0.071mm Red Enamel Magnet Wire

## Product Description

### Product Description:

Not only is this wire highly functional, but it is also certified by both UL and RoHS, ensuring that it meets the highest standards for safety and environmental friendliness. Whether you are working on a small DIY project or a larger commercial application, you can trust this wire to get the job done right.

With a wire gauge of 18 AWG, this Copper Enameled Wire is versatile enough to be used in a wide range of electrical applications. Whether you need to create custom coils or windings, or you simply need a reliable wire for your next project, this wire is the perfect choice.

So why wait? If you are looking for a high-quality Copper Enameled Wire that is both durable and reliable, look no further than this Enamelled Copper Winding Wire. With its bright red color, single enamel thickness, and insulation thickness of 0.0035 inches, this wire is the perfect choice for any electrical application. Order yours today!

### Technical Parameters:

Color	Red
Application	Motor Winding, Transformer Winding
Wire Gauge	18 AWG
Warranty	3 Years
Insulation Thickness	0.0035 Inch
Enamel Thickness	Single
Certifications	UL, RoHS
Sample	Free
Conductor Diameter	0.071mm-0.710mm
Shape	Round

### Support and Services:

Our Enamel Magnet Wire product comes with comprehensive technical support and services to ensure optimal performance and longevity. Our team of experts is available to provide assistance with product selection, design, and application. We also offer customized solutions to meet specific requirements, as well as testing and analysis services to ensure compliance with industry standards. Our technical support and services are available throughout the product lifecycle, from initial consultation to post-sale support.
